### Commercial Vehicle Self Drive Hire in Northern Ireland

RentaMerc provide a full range of Mercedes-Benz commercial vehicles for self drive hire. All five sites can supply anything from a small van, to medium sized trucks and up to 44 tonne HGVs. We can supply you with any commercial vehicle you need, even specialist body trucks or vans. At RentaMerc we can also take care of your truck and van insurance. Light trucks include full-size vans and minivans that weigh up to 3,500kg. Medium trucks are up to 7.5 tonnes. Local delivery and public service (dump trucks, garbage trucks) are normally around this size.

Heavy trucks are the largest trucks allowed on the road. They are mostly used for long-haul purposes, often in semi-trailer configuration
